Handmade from the finest hardwoods, Elrick Basses feature bodies of swamp ash or alder. Necks are constructed of quarter-sawn hard maple or quarter-sawn wenge, 24 fret (plus zero fret) wenge or bubinga fretboards are standard. 4-string basses feature 34" scale, 35" scale is standard on all other instruments, 34" or 36" scale is also available by special request. All models feature 2-way truss rods. Hipshot hardware and Bartolini pickups and 3-band active/passive preamp are original equipment.

Platinum Series Basses

Thru-neck Bass Guitar

Thru-neck construction with book-matched exotic wood top and back and carved neck heel set this model apart. Deluxe Hipshot hardware. Available in Classic and e-volution shapes.
(Matched back on Classic model only)

Single Cut Thru-neck Bass Guitar

Thru-neck construction with book-matched exotic wood top and single cut body for unsurpassed stability and sustain. Carved neck heel and deluxe Hipshot hardware. Available in Classic and e-volution shapes.

Hybrid-neck Bass Guitar

The Hybrid model perfectly bridges the gap between thru-neck and bolt-on. Features include set neck construction with book-matched exotic wood top and carved neck heel. The feel of a thru-neck with many qualities of a bolt-on. Deluxe Hipshot hardware. Available in Classic and e-volution shapes.

Hybrid Semi-hollow Bass Guitar

Deep resonant semi-hollow body with hybrid neck construction. A limited variety of figured wood tops are offered on this model. Single Bartolini humbucking pickup in bridge position and Schertler Bluestick under saddle electrostatic microphone in a wood tailpiece. Strung through the body with passive tone control, this bass offers excellent organic tones similar to an acoustic instrument. Available in Classic and e-volution shapes.

	Four String	Five String	Six String	Seven String
Thru-neck	\$4500	\$4750	\$5000	\$5250
Single Cut	\$5000	\$5250	\$5500	\$5750

Hybrid Semi-Hollow	\$5000	\$5250	\$5500	\$5750

Gold Series Basses

Gold Standard Bolt-on neck Bass Guitar

"Heel-less" body design makes these the most comfortable playing bolt-on neck bass guitars available. In order to achieve the utmost in stability as well as playability, necks are attached using five bolts in an asymmetrical pattern. Standard Hipshot hardware. Book-matched exotic wood tops are included. Available in Classic, e-evolution and NJS shapes.

	Four String	Five String	Six String	Seven String
Gold Series Bolt-on	\$3500	\$3750	\$4000	\$4250

Expat Series Basses

Manufactured in cooperation with our partners in the Czech Republic from the same US components and hand selected lumber used in our hand-carved USA line of instruments.

Expat New Jazz Standard Bolt-on neck Bass Guitar

A truly unique Jazz Style instrument, featuring an angled headstock and 24 frets+zero fret. All NJS basses feature a "heel-less" body design with extended treble access. To optimize stability as well as playability, the neck attaches via six bolts in an asymmetrical pattern. US Bartolini Classic Jazz pickups and 3-band active/passive pre-amp with 2-way mid-frequency. US Hipshot hardware in satin silver. Quarter-sawn maple or Indian rosewood fretboard. Swamp ash and Alder bodies with lacquer finishes.

Expat e-evolution Bolt-on neck Bass Guitar

The Expat e-evolution basses feature the same components and specifications found on USA Gold Series basses. US Bartolini jazz coil pickups and 3-band pre-amp with active/passive and 3-way mid-frequency. Black US Hipshot hardware. Wenge fretboard with MOP position markers. Swamp ash bodies with figured wood tops and natural finishes.

	Four String	Five String
Expat Series NJS Bolt-on	\$2500	\$2750
Expat Series e-evolution Bolt-on	\$2500	\$2750
