

ELRICK HAND CARVED DARIC BENNETT SIGNATURE EE-VOLUTION 5-STRING BASS GUITAR

Developed for musician and educator Daric Bennett, The Platinum Series DBS bass guitar was designed to facilitate Daric's incredible technique, while delivering the tone and responsiveness his playing demands. Achieved through a unique combination of specifications, the DBS features; thru-neck construction in single-cut configuration, 35" scale, maple neck, birdseye maple fretboard, alder body, figured walnut top, Bartolini DBS dual-coil soapbar pickups and 3-band pre-amp, black hardware and 18mm string spacing.

As with every other US Series Elrick Bass, the Platinum Series DBS may be ordered in custom configurations.
