

ELRICK HANDCARVED GOLD SERIES – VOLUTION BASS GUITARS

Hand-carved from the finest hardwoods, Elrick Basses feature bodies of swamp ash or alder. Necks are constructed of quarter-sawn hard maple or quarter-sawn wenge, a 24 fret + zero fret wenge fretboard is standard. 4-string basses feature 34" scale, 35" scale is standard on all other instruments, many other scales are also available by special request. All models feature 2-way truss rods, custom Elrick bridge, Hipshot hardware, Dunlop straplocks, Bartolini pickups and 3-band active/passive preamp as original equipment. Elrick hardshell case is included.

"Heel-less" body design makes these the most comfortable playing bolt-on neck bass guitars available. In order to achieve the utmost in stability as well as playability, necks are attached using five bolts in an asymmetrical pattern. Book-matched exotic wood tops are a standard feature on all Gold Series basses. Elrick Gold Series basses are available in Classic, e-volution and NJS body shapes.
