## ELRICK HAND CARVED LIMITED EDITION E-VOLUTION 5-STRING BASS GUITAR

Chicago, IL (October 18, 2018) – To commemorate their 25th anniversary, Elrick Bass Guitars, Ltd. is excited to present the first limited edition creation. Restricted to an edition of no more than 10 instruments, these bass guitars incorporate many of their most popular features and primary wood selections.

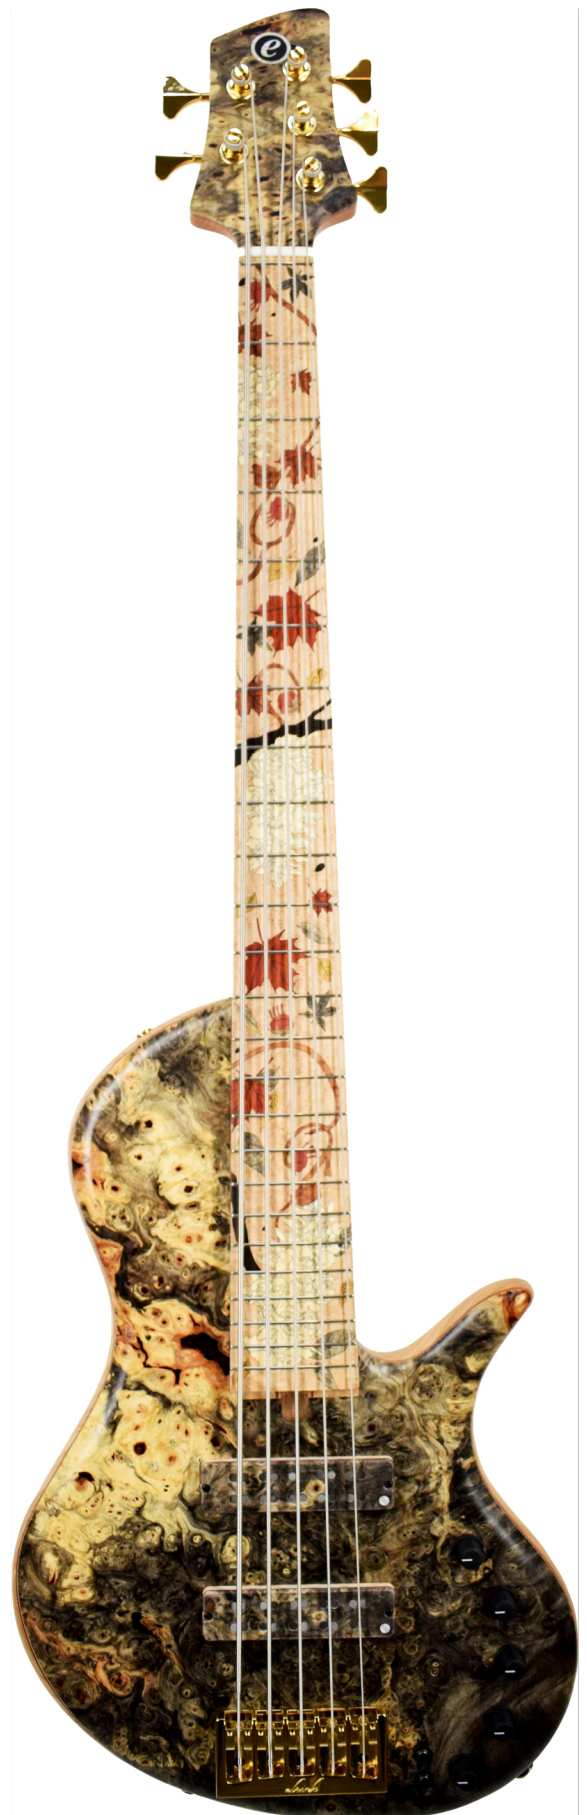

The Anniversary Series is a special series of instruments for the most discriminating musicians and collectors. These instruments feature; 9-piece thru-neck construction, custom wood fretboard inlay highlighting the flowers and leaves of the trees from which the primary woods are derived, matching headstock emblem, 1-piece buckeye burl top, pickups with matching wood covers and gold hardware. Single-cut construction is utilized for unsurpassed stability and sustain, and employs a hand-carved neck and heel. Each bass has a medallion signifying its build number.
