

ELRICK HAND CARVED PLATINUM SERIES E-VOLUTION BASS GUITARS

Hand-carved from the finest hardwoods, Elrick Basses feature bodies of swamp ash or alder. Necks are constructed of quarter-sawn hard maple or quarter-sawn wenge, a 24 fret + zero fret wenge fretboard is standard. 4-string basses feature 34" scale, 35" scale is standard on all other instruments, many other scales are also available by special request. All models feature 2-way truss rods, custom Elrick bridge, Hipshot hardware, Dunlop straplocks, Bartolini pickups and 3-band active/passive preamp as original equipment. Elrick hardshell case included.

Thru-neck construction in single-cut or double-cutaway configuration. Book-matched exotic wood top, hand-carved neck heel and body contours. Instruments with single-cut bodies offer unsurpassed stability and sustain, while instruments with double-cutaway bodies offer the more familiar appearance of a traditional bass guitar. Elrick Platinum Series basses are available in Classic and e-volution body shapes.
